Titolo	To all parents of children upon the face of the whole earth [[electronic resource]] : That your children you may the better train up in the right way that they should go therein, something of the true way it self is discovered, that iniquity may not be received by tradition from parents to children, and so from one generation to another, but that your children may come to Christ and be children of God, and so be a comfort unto you: therefore is this sent among you every where in love to your children and you.
