Note generali	An edition of STC 6445.5. Incorrectly reported as being based on "Le thresor d'escripture" (1580). The copies differ somewhat in the order of the woodcut specimens (printed only on the rectos in all editions) and in the quire signatures found on some of them. STC 6446 adds "Rules made by E.B. for his children to learn to write by". The type for the "Rules" is reimposed in folio format in STC 1024.5, where it is in the same 1-column typesetting. Later settings of the "Rules" in STC 6446.6 and following, 3361.3 and following, and 3363.5 and following are all in two columns--STC. Title is xylographic. Signatures: A B-Lâ´. Reproduction of the original in the British Library.
