| Titolo                  | A voice from the temple to the higher powvers [[electronic resource] ] :<br>Wherein is shewed, that it is the work and duty of saints, to search the<br>prophesies and visions of holy Scripture, which concern the later times:<br>and that Jesus Christ will reveal the understanding of them, neer the<br>end of their accomplishment. And so much, is here clearly proved, and<br>the objections to the contrary answered. Also severall prophesies are<br>here opened, concerning the time of the end; as what is the present<br>work of the Lord in the world: and wherein the saints (whether the<br>higher powers or others) are now to move and follow him. Likwise [sic]<br>what will be the work of the Lord forward, and all along from year to<br>year, till the mysterie of God be finished, both among the Christian<br>gentiles, and Jewes. By John Canne |
