| Titolo                  | A publike discovery, of the open blindness of Babels builders, and their confused language, who have been building without, till they deny faith, knowledge and the Gospel light within, the law of the new covenant, and matter of the new creature [[electronic resource] ] : Plainly laid open in an answer to a book intituled A publike discovery of a secret deceipt, subscribed John Deacon, in behalf of some who pretend a call to the ministry. Wherein their first queries their replies; their answers to my queries, and their last queries is answered, and their whole work laid open, and the end thereof with queries sent back, by them to be answered, that their boasting spirit may be farther revealed, & its blindness.
