Titolo	The text of the New Testament of Iesus Christ, translated out of the vulgar Latine by the Papists of the traitorous seminarie at Rhemes. With arguments of bookes, chapters, and annotations, pretending to discouer the corruptions of diuers translations, and to cleare the controuersies of these dayes. Whereunto is added the translation out of the original Greeke, commonly vsed in the Church of England, with a confutation of all such arguments, glosses, and annotations, as conteine manifest impietie, of heresie, treason, and slander, against the Catholike Church of God, and the true teachers thereof, or the translations vsed in the Church of England. The whole worke, perused and enlarged in diuers places by the authors owne hand before his death, with sundry quotations, and authorities out of Holy Scripture, counsels, Fathers, and history. More amply then in the former edition. By W. Fulke, D. in Diuinitie [[electronic resource]]
