Note generali	By Sir Anthony Fitzherbert. Printer's name and publication date conjectured by STC. Running title reads: Diuersite de courtes. Title page has border (McKerrow & Ferguson 53). This edition apparently printed following an imperfect copy of STC 10951, of which it is a paginary reprint except that A3-6 of that edition are not included and A2 verso catchword is altered to "gacio[n]" to agree with the text on the following recto--STC. Signatures: A B-C. Formerly STC 10953a. Imperfect; poorly printed affecting text. Reproduction of the original in the British Library.
