Titolo	Greenes neuer too late [[electronic resource] ] : Both parts. Sent to all youthfull gentlemen, to roote out the infectious follies, that ouer-reaching conceits foster in the spring time of their youth. Desciphering in a true English history, those particular vanities, that with their frostie vapours, nip the blossomes of euey braine, from attayning to his intended perfection. As pleasant as profitable, being a right pumice stone, apt to race out idlenesse with delight, and follie with admonition. Rob. Greene, in artibus Magister
