Titolo	Os ossorianvm, or A bone for a bishop to pick [[electronic resource]] : being a vindication of some passages in a treatise lately published, called Anti-cavalierisme, from the impertinent and importune exceptions of Gr: Williams, the author of the Grand rebellion: calling himselfe by the name of the L. Bishop of Ossory. Wherein likewise, the malignitie of severall passages in the said Grand rebellion against the Parliament, is discovered; and that question further cleared; how and in what sense kingly government may be said to be the ordinance of God: so that it may indifferently serve for an answer to that whole discourse. By the author of the sayd treatise of Anti-Cavalierisme
