| Sommario/riassunto      | This book offers a concise survey of basic probability theory from a thoroughly subjective point of view whereby probability is a mode of judgment. Written by one of the greatest figures in the field of probability theory, the book is both a summation and synthesis of a lifetime of wrestling with these problems and issues. After an introduction to basic probability theory, there are chapters on scientific hypothesis-testing, on changing your mind in response to generally uncertain observations, on expectations of the values of random variables, on de Finetti's dissolution of the so-called problem of induction, and on decision theory. |

| Titolo                  | Ten sermons tending chiefly to the fitting of men for the worthy receiuing of the Lords Supper [[electronic resource] ] : VVherein amongst many other holy instructions: the doctrines of sound repentance and humiliation, and of Gods speciall fauours vnto penitent sinners, and worthy communicants are largely and effectually handled. The six first, by I. Dod. The foure last, by R. Cleauer. Whereunto is annexed, a plaine and learned metaphrase on the epistle to the Collossians, written by a godly and iudicious preacher. There is also set before the sermons, a short dialogue of preparation: containing the chiefe points that concerne the worthy receiuing of the Lords Supper, taken for the most part, out of the sermons following: and collected into a method for the benefit and ease of those that desire direction in this matter |

| Sommario/riassunto      | <p>Vandag is die hernoeming van veral plek- en straatname om die onreg van die verlede reg te stel weer sterk op die voorgrond, en dit bly 'n kontroversiele aangeleentheid wat rolspelers en die mens op straat se belangstelling vasvang. Derhalwe is die boek se tema en inhoud, naamlik die straatnaam-hernoemingsdebakel etlike jare gelede in Kaapstad en die meegaande politiekery op die bree front, relevant in die huidige geskiedskrywing omdat dit treffend aandui hoe so 'n kwessie kan skeefloop as dit nie met die nodige empatie teenoor alle belangstellendes en bevolkingsgroepe hanteer word nie. In hierdie geval het dit tot die uiterste gestrek deurdat bekende politieke leiers in die proses betrek is en selfs geval het. Deur inleidend 'n deeglike agtergrond van die sogenaamde straatnaam-hernoemingsfenomeen te gee, gepaardgaande met die politieke opset in Kaapstad, word die leser genoegsaam geposisioneer om die gebeure wat volg goed te begryp. Die toepaslike en treffende - soms selfs skreiende - spotprente bied sinvolle illustrasies tot die verhaal. - Dr Hannes Haasbroek, Nasionale Museum, Bloemfontein</p> |
