| Autore                  | Firmin Giles <1614-1697.>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Titolo                  | Weighty questions discussed [[electronic resource] ] : I. Whether imposition of hands in separating a person to the work of the ministry be necessary?, II. Whether it be essential to the right constitution of a particular church, that the teaching elders and the members meet always in one place? : whereunto is added a prediction of Mr. Daniel Rogers, minister in Essex, long before the beheading King Charles I and Arch-Bishop Laud, foretelling that they should not dye a natural death / / by Giles Firmin . |
