

1. Record Nr.	UNISA996385343603316
Autore	A. M, of the Church of England
Titolo	The reformed gentleman, or, The old English morals rescued from the immoralities of the present age [[electronic resource]] : shewing how inconsistent those pretended genteel accomplishments of [brace] swearing, drinking, [brace] whoring and Sabbath-breaking are with the true generosity of an English man : being vices not only contrary to the law of God and the constitutions of our government both ecclesiastical and civil, but such as cry loud for vengeance without a speedy reformation : to which is added a modest advice to ministers and civil magistrates, with an abridgement of the laws relating thereto, the King's proclamation and Queens letter to the justices of Middlesex, with their several orders thereupon // by A.M. of the Church of England
