Autore	Bache Humphrey
Titolo	The voice of thunder, or The sound of a trumpet giving a certain sound [[electronic resource] ] : saying, Arise ye dead, and come to judgement, the Light, to guide you to judge out the evil, that righteousnesse you may learn, and so come to have a true discerning betwixt the precious and the vile, betwixt those that in truth serve the Lord, and those that pretend to worship him, a day, when in truth they serve him not, but grieve his spirit. VVith a few words to them whose faces are Sion-ward, travelling to the good land of rest, whereinto those that believe not in the light cannot enter. VVith a dear, tender visitation to the holy, meek, suffering seed, which is already entered and entering in, where none can make afraid. // By Humphery Bache
