

1. Record Nr.	UNISA996385651603316
Autore	Crawshey John
Titolo	The good-husbands jewel. Or Plain and easy directions how to know the means, whereby horses, beasts, sheep, &c. come to have many diseases, and the way to cure them perfectly, and that with little cost or charges [[electronic resource] ] : Written by a very skilfull hand, who had this knowledge, not by reading or perusing any books, but by above thirty years experience, besides the practice of his ancestors. Most usefull for all countrey-men, whereby they may be enabled to preserve their cattell. Also an admirable and safe way for gelding and spaying, both of male and female. Approved by the testimony of diverse worthy gentlemen, both knights and esquires, in the county of York and Lincolne
