Livello bibliografico	Monografia
Note generali	Probably by William Fuller; Mary Anne de Labadie, nurse to James II's son, was the wife, not daughter, of James de Labadie, James's valet; but the circumstances of discovery (p. 3-4), if authentic, make it appear unlikely that he was the author. Cf. NUC pre-1956. Place of publication from BM. This item appears at reel 189:8 as Wing L99A (number cancelled in Wing 2nd ed.), and at reel 1729:19 as Wing M2261A. Reproduction of original in Harvard University Libraries.
