Titolo	The Quakers refuge fixed upon the rock of ages, though the swelling waters dash never so violently to overturn it [[electronic resource]] : wherein is prov'd, that the narrative of Ralph James is an absolute lying-wonder, according to his own definition : and also, the great controversie between the people of God called Quakers, and others, about the holy spirit of God and the Scriptures, truly stated, and very briefly discoursed, as it is owned by the Quakers, and the truth cleared from the false suggestions and deceitful insinuatins of the anabaptists about the said controversie : in answer to a subtil pamphlet, lately published, intituled, The Quakers subterfuge or evasion overturned : also a few queries propounded unto Ralph James, and the author of the subterfuge &c. // by Robert Ruckhill ; to which is added another postscript in answer to some queries propounded in the said pamphlet, wherein many untruths are suggested ; but herein the truth is cleared, and the evasion and deceit of the Baptists made more fully manifest by John Whitehead
