Soggetti	Imaginary books and libraries - Great Britain Great Britain Politics and government 1649-1660 Early works to 1800
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Erroneously attributed to John Birkenhead. The work is an imitation of Birkenhead's "Paul's Church-yard" and "Two centuries of Pauls Church-yard", with some items taken directly from those works. A satire on the Commonwealth in the form of booksellers' lists. Place of publication from Wing. The last two leaves contain "The four-legg'd elder", in verse.
