| Autore                  | Bruyn Ambrosius de   |
| Titolo                  | A narration, briefly contayning the history of the French massacre<br>[[electronic resource]] : especially that horrible one at Paris, which<br>happened in the yeare 1572. In the passage of which, are handled<br>certaine questions both politike and ethike, properly fit for courtiers<br>and states-men. The condition also of this present time is discouered,<br>by comparing it with the state of those lamentable times. . |
