| Titolo | A discourse of the visible church [[electronic resource]] : In a large debate of this famous question, viz. whether the visible church may be considered to be truly a church of Christ without respect to saving grace? Affirm. Whereunto is added a brief discussion of these three questions. viz. 1. What doth constitute visible church-membership. 2. What doth distinguish it, or render it visible. 3. What doth destroy it, or render it null? Together with a large application of the whole, by way of inference to our churches, sacraments, and censures. Also an appendix touching confirmation, occasioned by the Reverend Mr. Hanmore his pious and learned exercitation of confirmation / By Francis Fulwood minister of the gospel at West-Alvington in Devon |
