Sommario/riassunto	How to analyze and understand investment opportunities in the resources market Investing in resource markets is quite different from other sectors-extreme cyclicity; very long cycles; huge corrections; continual mergers and acquisitions; and, huge capital needs. Written by industry pioneer Adrian Day, Investing in Resources: How to Profit from the Outsized Potential and Avoid the Outsized Risks details the factors that affect investing in resource markets, and how, if an investor understands those factors, the resource market can be a great place to realize very strong gains.
