

1. Record Nr.	UNISA996386670503316
Autore	Jewel Edward
Titolo	A brief discourse of the stomach and parts subservient unto it [[electronic resource]] : of the generating of blood and humors, their degenerating into diseases, how and by what means they are wrought up in the body. Set forth in a dialogue between a physician and a countrey-man his patie made so plain and easie, that any one may know so much of his own strength and constitution, as to judge of his state of health, and tendency to sickness, and be able to help himself therein, in order to which, is subjoynd an account of that incompatable extractum pareton, or, extract of universal vertue and sufficiency, in the cure of most, but especially chonical diseases, incident to men and women. Prepared by the art and industry of Edward Jewel
Pubbl/distr/stampa	London, : [s.n.], printed in the year 1678
