| Titolo | Claudius Mauger's French and English letters [[electronic resource]] : upon all subjects, mean and sublime : enlarged with fifty new letters, many of which are on the late great occurrences and revolutions of Europe, all much amended and refined according to the most quaint and courtly mode : wherein yet the idiom and elegancy of both tongues, are far more exactly suited then formerly, very useful to those who aspire to good language, and would know what addresses become them to all sorts of person, besides many notes in the end of the book, which are very necessary for commerce |
