Titolo	A revindication of the anynting and priviledges of faithfull subjects. Or, A briefe reply to an idle pamphlet, intituled, An answer and confutation of that groundlesse vindication of Psal. 105. 15. (touch not mine anynted, and do my prophets no harme) from some trayterous exposition of schismaticks [[electronic resource]] : declaring to the world, that this was spoken principally and peculiarly of kings, and not of inferiour subjects, &c. Wherein the insufficiency and ridiculousnesse this Answerers no-answer, is briefly demonstrated, the Vindication justified, and the text of Rom. 13. cleared from some misconstructions (against subjects taking up meere defensive armes in any cases) which the Answerer (out of Dr. Fernes Resolution of conscience, for want of matter of his own) hath thrust upon it, to delude some scrupulous consciences. With a briefe exhortation to peace, with truth, righteousnesse, and holinesse

Sommario/riassunto	In this important book, stories of unit and practice transformations deepen the clinician's understanding of how both Relationship-Based Care and the American Nurses Association Standards of Professional Nursing Practice can be harnessed to strengthen a professional culture. Stories in which the patient and family experience is elevated by the nurses who care for them will remind readers of not only the purpose and meaning of their work, but its power to transform lives.
