

1. Record Nr.	UNISA996386997003316
Autore	R. T
Titolo	The hyrelings reward: or, a serious word to considering people [[electronic resource]] : Being a relation of some difference between Mr. William Jenkyns, and some others. Occasioned by the questioning of his doctrin, and his undertaking to defend it; together with his argument, by which he pretended to do it. As also his reasons of deserting his undertaking; with an answer to his said argument and reasons; together with some queries touching the point in question; with the manner of his being publiquely opposed, and the deportment of himself and his people thereupon: / / all faithfully laid down by R.T
