Note generali	A translation, by Sir Thomas Urquhart, of book 2 of: Rabelais, François. Gargantua et Pantagrue. "The note For the Reader in 'The Second Book' refers to 'The first Book' [Wing R105] as if it had been separately issued but apparently the two books were usually sold together. The last leaf of 'The first book' in the [Pforzheimer] copy has an off-set from the title of 'The Second Book', and the two parts have a common list of errata and table"-- Pforzheimer catalogue. With a preliminary errata leaf and an index. Text and register are continuous despite pagination. Reproduction of the original in the Harvard University Library.
