Note generali	Not in fact by Lilly and the imprint is false. Cf. Wing which calls it 'unauthorized'. This is probably the edition referred to by Lilly on A1v of Wing 1882 thusly: A counterfeit Anglicus is already come forth in print, under the name of A. Lelee, and in his second epistle he subscribes Anglicus. Had the boy-printer, J.K. subscribed his own name, the Commonwealth had not been cheated ... Signatures: Aâ´ B-E Fâ´. Leaf B1 is signed: Anglicus. Thomason received his copy in October 1649. Annotation on Thomason copy: "Octo: 1649". Reproduction of the original in the British Library.
