	Livello bibliografico	Monografia
	Note generali	A royalist tract describing chaos brought about by a rebellion inspired by dissenters; one result would be the "discharter" of Virginia, Maryland, Carolina, etc., royal grants.

Attributed to Nalson by Wing. DNB does not mention this in its account of John Nalson, 1638?-1686, a royalist pamphleteer. Other authorities list this under title.

Reproduction of original in Union Theological Seminary Library, New York.
