

1. Record Nr.	UNISA996387214803316
Autore	Colly Anthony
Titolo	A more full discovery of the use and vertue of those golden purging pills [[electronic resource]] : eminently helpful in the most inveterate diseases either in young or old; where other medicines prove ineffectual. Found by great study, costs, and pains, and now communicated for the publick good of all that stand in need of their balsamick vertue. Whereunto is added a plain, and short method, whereby every one of an indifferent capacity (by the signs and causes of most diseases of humane bodies) may know under what distemper they labor and how, and by what means my pill effects their relief. / / By Anthony Colly, physitian and chymist to his Majesty in ordinary
