

1. Record Nr.	UNISA996387418003316
Autore	Inchiquin Murrough O'Brien, Earl of, <1614-1674.>
Titolo	A letter from the Right Honourable the Lord Inchiquin and other the commanders in Munster, to His Majestie [[electronic resource]] : expressing the causes and reasons of their not holding the cessation any longer with the rebels; with their desire intimated to His Majestie, that he would be pleased to renounce any treatie with the rebels any longer, and that he would againe proclaime them rebels, and would now comply with his Parliament, and make a peace with them. With several other letters from the said Lo. Inchiquin and other the commanders in Munster in Ireland to severall other their friends here in England, advising them of their proceedings, with severall motives and reasons to perswade them also to returne unto their former charges in Ireland, and to joyne with them to oppose the said rebels, and for to vindicate with them therein their obligation unto religion, the preservation of that kingdome, and the honour of the English nation.
