Note generali	Authorship of the Eikon basilike was originally attributed to Charles I, but according to Madan (pp. 125-33) it was written by John Gauden who probably included some authentic writings of the king. This is a reprint of chapter 27 of the Eikon. The printer is unknown and the initials C.V. in imprint are probably an invention. -- Madan. Annotation on Thomason copy: "Aprill 11th". Reproduction of the original in the British Library.
