Autore	Downame John <d. 1652.>
Titolo	Spiritual physick, to cure the diseases of the soul [[electronic resource]] : arising from superfluity of choler, prescribed out of Gods word. Wherein the cholerick man may see the dangerousness of this disease of the souls unjust anger, the preservatives to keep him from the infection thereof, and also fit medicines to restore him to health, being already subject to this raging passion. Profitable for all to use, seeing all are patients in this disease of impatiency. / / Jby ohn Downam
