| Sommario/riassunto | Five years ago, Brock Adams disappeared from Cedar Glen, New Jersey, never to be seen or heard from again, leaving behind his wife Faith, his daughters...and two sons under a family curse. Give up everything. That was the deal. Give up his werewolf pack, his family and his immortality, in exchange for finally, finally ridding his sons of the deadly curse. But |

when a disguised Brock sneaks back into Cedar Glen, he finds the curse still very much in effect. He also bumps into Faith, who he aches for just as much now as the day he left. Coming back was a horrible idea. Winston, his foul-tempered fairy friend, told him so. But did Brock listen? Nooooo. He's listening to his heart and his libido, and both are begging for one more moment in Faith's arms. So what if she doesn't even know it's really him? And one of his sons hates him? And he'll have to leave again? And he has a vindictive witch on his trail. All wrapped up in laugh-out-loud fun, *Gotta Have Faith* takes you back to Cedar Glen where outcast Brock Adams is about to find out life isn't dealing from a clean deck.
