| Titolo | The Solemne League and Covenant of three kingdomes, cleared to the conscience of every man, who is not willingly blinde, or wilfully obstinate [[electronic resource]] : The antiquity of the Covenant on the Scots-side; the seasonableness of it on the English side; the admirable wisdom of God, in stirring-up the spirits of men on all sides, at such a time as this; all this with other things mightily conducing to, and promoting of the militia of kingdomes, and the posturing every person there, is referred to a place, where it may take up more room. The clearness for the matter of this Covenant; the solemnity for the manner of it, is the subject of these few leaves, and yet to be made more clear to them thaT have a mind to understand. By E.W. Imprimatur Edm: Calamy, the morrow after wee lifted up our hands, and subscribed our names to this Covenant, Octob. 2. 1643 |
