Note generali	Place and printer suggested by STC (2nd ed.). "The admirable life of the Holy Virgin S. Catharine of Bologna" has separate t.p. Pagination and register are continuous. The "life of S. Catharine" is from a work by Dionisio Paleotti; translation attributed to Catharine Bentley (in religion Sister Magdalen of St. Augustine), but possibly by Elizabeth Evelinge (in religion Sister Catharine of St. Magdalen). Cf. Allison & Rogers. Comprises another edition of "The rule of our holy mother S. Clare" which was extracted from bk. 8 of the "Chronicle" of Marcos da Silva in William Cape's translation; with the life of St. Catharine added. Also re-issued, with a re-dated titlepage as the second part of "The life of the glorious virgin S. Clare", Saint Omer, 1622. Cf. Durham University Library. Signatures: A-2B. Printer's device on t.p., headpieces, initials. Reproduction of original in: Durham University Library.
