

1. Record Nr.	UNINA9910453112603321
Titolo	British decolonisation, 1918-1984 // edited by Richard Davis
Pubbl/distr/stampa	Newcastle upon Tyne, UK : , : Cambridge Scholars Publishing, , 2013
ISBN	1-4438-5324-0
Descrizione fisica	1 online resource (159 pages) : illustrations (black and white), maps (black and white)
Disciplina	167
Soggetti	Decolonization Electronic books. Great Britain Colonies Administration History 20th century Great Britain Colonies History 20th century Commonwealth countries History 20th century
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Few subjects have aroused more controversy in recent years than that of empire, and that of the British Empire in particular. Few other subjects are of greater importance to todayas world. How the British Empire was created and maintained, and the impact it had on both the colonised and the colonisers, have been the source of long-running and heated debates amongst historians, politicians and in the media. For several decades it has been analysed from numerous different perspectives, providing a wide range of differing interpretations. Over recent years, new studies have extended the scope of imperial history into previously ignored fields that have significantly added to our understanding. Imperial history can, therefore, no longer be regarded as the exclusive realm of the political historian, or the reserve of an essentially British approach. - - The British Empire was complex. Each of the far-flung components that made it up had its own particularities. At various times and in various places it took on different forms and had different meanings. It affected people across the globe in a multitude of ways. This inevitably produces a multi-facetted picture. The large number of actors, in Britain and in the colonised world, who

played a part in its history adds to this impression. As a consequence, it is difficult to come up with one, all-encompassing, history of the British Empire. - - All these aspects of the British Empire are apparent in the story of how it ended. What precisely decolonisation was, how it came about, and what it meant for the British and for those who gained their independence, varied considerably from one part of the Empire to another, and from one period to another. How these changes came about, how independence was won across the colonial world, and how it was resisted, are dealt with here across a selection of different case studies. Understanding how the British Empire collapsed tells us a great deal about what this Empire was and about its legacy in todayas world.

-

2. Record Nr.	UNISA996389376403316
Autore	Martin Gregory -1582
Titolo	The loue of the soule, made by that excellent learned man Mr. Gregorie Martin [[electronic resource]] : and addressed by him to his owne sisters, brought vp in heresie. : Together with a letter of the same author to a schismatique gentleman of authority, touching his dissembling in religion, against his consciences and knowledge. : Wherein is annexed, a sure and certaine rule for the vnlearned, how to discerne betwixt the true & false interpretation of holy scripture. Taken out of the apology of Fridericus Staphlius, exceeding profitable for these perillous times.
Pubbl/distr/stampa	[London], : At. S. Omers, [printed by the widow of C. Boscard] for Iohn Heigham, anno 1630
Descrizione fisica	76, [1] p
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Place of publication and printer's name from STC (2nd ed.). "With permission." Imperfect: stained and cropped with slight loss of text. Reproduction of original in: Blairs College.

3. Record Nr.	UNINA9910702959003321
Autore	Lew Debra
Titolo	How do wind and solar power affect grid operations [[electronic resource]] : the Western Wind and Solar Integration Study : preprint // D. Lew ... [and others]
Pubbl/distr/stampa	Golden, CO : , : National Renewable Energy Laboratory, , [2009]
Descrizione fisica	1 online resource (7 pages) : illustrations, map
Collana	NREL/CP-550-46517
Soggetti	Wind power - Research Electric power transmission Distributed generation of electric power Conference papers and proceedings.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (NREL, viewed Sept. 15, 2009). "September 2009." "To be presented at the 8th International Workshop on Large Scale Integration of Wind Power and on Transmission Networks for Offshore Wind Farms, Bremen, Germany, October 14-15, 2009."
Nota di bibliografia	Includes bibliographical references.
