Sommario/riassunto

During the French Revolution most performances on the London stage were strictly censored, but political attitudes found indirect expression. New and popular genres like pantomime, gothic drama, history plays, musical and spectacular entertainment, and, above all, melodrama provided metaphors for the hopes and fears inspired by the conflict in France and subsequent European wars. This 2001 book looks at how British drama and popular entertainment were affected by the ideas and events of the French Revolution and Napoleonic Wars. He argues that melodrama had its origins in this period, with certain gothic villains displaying qualities attributed to Robespierre and Napoleon, and that recurrent images of incarceration and dispossession reflected fears of arbitrary persecution, from the tyranny of the Bastille to the Jacobin's Reign of Terror. By a cultural analysis of the popular entertainment and theatre performances of the eighteenth and nineteenth centuries Taylor reveals issues of ideological conflict and psychological stress.

2. Record Nr.	UNISA996389433003316
Autore	W. C (William Clifford), <d. 1670.>
Titolo	A little manual of the poor man's dayly devotion [[electronic resource] /] / collected out of severall pious and approved authors by W.C
Pubbl/distr/stampa	Printed at Paris, : By Vincent Du Moutier ..., M. DC. LXXXII [1682]
Edizione	[The third edition]
Descrizione fisica	[24], 503, [10] p
Soggetti	Devotional literature Christian life
