Note generali	Attributed to William Baldwin by STC (2nd ed.). In verse. A continuation of John Lydgate's "The fall of princes", which is a translation of Giovanni Boccaccio's "De casibus illustrium virorum". The first two parts of "A mirror for magistrates" were written by John Higgins and Thomas Blenerhasset respectively; this third part was in fact written before the others. At foot of title: Cum priuilegio. Signatures: *4, A4, B-F "G[et]H"6, I-Z 2A4. Numerous errors in foliation. The last leaf is blank. Gathering "G[et]H" is wrongly imposed. Identified as part of STC 13445a at reel 1416:2. Reproductions of the originals in the Henry E. Huntington Library and Art Gallery and the Central Library (Bristol, Eng). Appears at reel 171 (Henry E. Huntington Library and Art Gallery copy) and at reel 1416 (Central Library (Bristol, Eng.) copy).
