| Autore                  | Bernard Richard <1568-1641.>                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Titolo                  | A guide to grand-iury men [[electronic resource] ] : diuided into two bookes: in the first, is the authors best aduice to them what to doe, before they bring in a billa vera in cases of witchcraft, with a Christian direction to such as are too much giuen vpon euey crosse to thinke themselues bewitched. In the second, is a treatise touching witches good and bad, how they may be knowne, euicted, condemned, with many particulars tending thereunto. By Rich. Bernard |
