Note generali	"Ad lectorem" signed: I. Clarke. Printer's and publisher's names from STC. In three parts (i.e. registers). Part 1: "Dux grammaticus", "Secunda praxis totius Latinæ syntaxeos dialogica" and "Dux oratorius: siue, methodus ad eloquentiarum compendiaria"; the latter two have separate pagination and dated title pages. Part 2: "A tvvo-fold praxis of the whole Latine syntaxe" with separate pagination and dated title page. Part 3: "The second praxis, dialogicall, of the Latine syntaxe", with separate pagination and dated title page. Parts 2 and 3 translate "Dux grammaticus" and "Secunda praxis". The word "syntaxeos" on the title page of "Secunda praxis" uses an omega. Reproduction of the original in the British Library.
