

1. Record Nr.	UNISA996390364503316
Autore	Wren Matthew <1585-1667.>
Titolo	Bishop Wrens petition to the Parliament, in defence of Episcopacie [[electronic resource]] : In the behalf of himself and the rest of the bishops. Wherein he endeavours to eabbreviate and lessen the libertie of the subject; being his sole resolution to extenuate the priviledge of Parliament. As also, how his most especial intents contain (in the ensuing petition) the corroborating of prelaticall primacie. With many reasons inducing him to the presentation of the same to the right honourable the High Court of Parliament
