

1. Record Nr.	UNISA996390413703316
Autore	Mascall Leonard <d. 1589.>
Titolo	The government of cattel [[electronic resource]] : Divided into three books. The first, treating of oxen, kine, and calves: and how to use bulls, and other cattel, to the yoke or fell. The second, discoursing of the government of horses; with approved medicines against most diseases. The third, discoursing the order of sheep, goats, hogs, and dogs; with true remedies to help the infirmities that befall any of them. Also, perfect instructions for taking of moals; and likewise for the monthly husbanding of grounds: and hath been already approved, and by long experience entertained amongst all sorts; especially husbandmen, who have made use thereof, to their great profit and contentment. Gathered by Leonard Mascal. Chief farrier to King James
