

1. Record Nr.	UNISA996390432703316
Autore	Hobson Paul
Titolo	Innocency, though under a cloud, cleared [[electronic resource]] : By P. H. a poor prisoner, when almost sunk under pretended friends censures in the day of his sufferings. And also, a discovery of the comforts that attends innocency in a prison. As also, twenty four usefull particulars left by him for his children and friends, and being left in a friends hand for his relations, I could not but make them publick; judging it will be no loss to the author, and great gain to the reader, and justly give offence to none
