Autore	Howgill Francis <1618-1669.>
Titolo	Darknesse and ignorance [[electronic resource]] : Expelled by the light shining forth, and the appearance of the day. In answer to a book called, Innocents no saints. Published by one Edward Dodd, wherein he hath laboured to prove tythes lawfull, and tithing priests and hirelings to be the ministers of the word, and the masse-house the church; and calls idolatry civility, and heathenish complements courtesie, and hath perverted many Scriptures. His deceit laid open, his vindication made void, and his arguments confounded, and Truth laid open in all these particulars, for the sake of the upright in heart, who rejoyces in Truths prosperity. By one of the lambs followers, who makes warre against the heart of the dragon, and against the rear of the beast. F.H
