| Titolo                  | Arbasto [[electronic resource] ] : The anatomie of fortune. Wherein is discoursed by a pithie and pleasant discourse, that the highest state of prosperitie, is oft times the first steppe to mishappe, and that to stay vpon fortunes lotte, is to treade on brittle glasse. VVherein also gentlemen may finde pleasant conceits to purge melancholie, and perfit counsell to preuent misfortune. By Robert Greene Master of Arte |
