Autore	Scott Thomas <1580?-1626.>
Titolo	Aphorismes of state: or certaine secret articles for the reedifying of the Romish church agreed vpon [[electronic resource]] : and approued in councell, by the colledge of cardinals in Rome, shewed and deliuered vnto Pope Gregory the 15. a little before his death. Whereunto is annexed a censure vpon the chiefe poynts of that which the cardinals had concluded. By Tho. Scott. Very needful and profitable for all those, who are desirous to vnderstand the euent of the restitution of the Palatinate: and of the state of the Prince-Electors, of Saxon and Brandenbrugh, in the behalfe of the clergie in Rome. Fit for the British nation, especially to take notice of, that they may euidently see, the issue of all our treaties, ambassages, and promises, with other hopes depending: wherein we haue beene long held in suspence, and are still like to be, to our unrecoverable losse. Faithfully translated according to the Latine, and Netherlandish Dutch, into English
