| 1. Record Nr.           | UNISA996390567803316   |
| Autore                  | Tryon Thomas <1634-1703.>  |
| Titolo                  | A new art of brewing beer, ale, and other sorts of liquors [[electronic resource] ] : so as to render them more healthful to the body, and agreeable to nature; and to keep them longer from souring with less trouble and charge than generally practiced, which will be a means to prevent those torturing distempers of the stone, gravels, gout and dropsie. To which is added, the art of making mault, &c. and several useful and profitable things relating to country affairs. Recommended to all brewers, gentlemen and others, that brew their own drink. The third edition, with many large additions never printed before. By Tho. Tryon, student in physick, who hath lately published rules physical and moral for preserving of health, with a bill of fare of 75 noble dishes of excellent food. Price bound 1 s. Licensed and entred according to order |
