

1. Record Nr.	UNISA996390585003316
Autore	Blagrave John <d. 1611.>
Titolo	Baculum familiare, catholicon siue generale [[electronic resource]] : A booke of the making and vse of a staffe, newly inuented by the author, called the familiar staffe. As well for that it may be made vsually and familiarlie to walke with, as for that it performeth the geometrical mensurations of all altitued, longitudes, latitudes, distances and profundities: as many myles of, as the eye may well see and discern: most speedily, exactly and familiarly without any maner of arithmetical calculation, easily to be learned and practised, euen by the vnlettered. Newlie compiled, and at this time published for the speciall helpe of shooting in great ordinance, and other millitarie seruices, and may as well be imployed by the ingenious, for measuring of land, and to a number of other good purposes, both geometrical and astronomical: by Iohn Blagraue .
