Titolo	An exposition upon the Epistle to the Colossians [[electronic resource]] : Wherein, not onely the text is methodically analysed, and the sence of the words, by the help of writers, both ancient and modern, is explained; but also, by doctrine and use, the intent of the holy Ghost is in every place more fully unfolded and urged. And besides, the very marrow of most common-places is aptly diffused throughout the body of this exposition, as the nature of this kind of teaching would beare. And further, many chiefe cases of conscience are here resolved. All with convenient variety and brevity. Being, the substance of neere seven yeaeres weeke-dayes sermons, of N. Byfield, late one of the preachers for the city of Chester
