Titolo	Sabbathum Veteris et Noui Testamenti: or the true doctrine of the Sabbath, held and practised of the Church of God, both before, and vnder the law; and in the time of the Gospell [[electronic resource] ] : plainly laid foorth and soundly prooued by testimonies both of holie Scripture, and also of old and new ecclesiasticall writers: fathers and counsels, and lawes of all sorts, both ciuill, canon, and common. Declaring first from what things God would haue vs straightly to rest vpon the Lords day: and then by what meanes we ought publikely and priuately to sanctifie the same. Together with the sundrie abuses of men in both these kindes: and how they ought to be reformed. Diuided into two bookes by Nicolas Bovvnd Doctor of Diuinitie: and now by him the second time perused, and inlarged with an interpretation of sundrie points belonging to the Sabbath .
