2. Record Nr.	UNISA996390712903316
Autore	Wildman John, Sir, <1621?-1693.>
Titolo	The lawes subversion: or, Sir John Maynards case truly stated [[electronic resource]] : Being a perfect relation of the manner of his imprisonment upon pleasure, for the space of five moneths by the House of Commons, and of the impeachment of high treason exhibited against him before the Lords, together with all the passages between him and the Lords, in messages to them, and speeches at their barre, as they were taken from his own mouth. VVherein also is contained a cleare discovery of the dangerous and destructive infringement of our native liberties, and of the arbitrary government now introduced by an aspiring faction over-awing the Parliament. Also that groundlesse false report concerning Sir Iohn Maynards submitting to the Lords jurisdiction refuted, to the shame of the reporters. By J. Howldin, Gent

Sommario/riassunto

In this third volume of his award-winning American Crisis series, James Gustave Speth makes his boldest and most ambitious contribution yet. He looks unsparingly at the sea of troubles in which the United States now finds itself, charts a course through the discouragement and despair commonly felt today, and envisions what he calls America the Possible, an attractive and plausible future that we can still realize. The book identifies a dozen features of the American political economy-the country's basic operating system-where transformative change is essential. It spells out the specific changes that are needed to move toward a new political economy-one in which the true priority is to sustain people and planet. Supported by a compelling "theory of change"; that explains how system change can come to America, the book also presents a vision of political, social, and economic life in a renewed America. Speth envisions a future that will be well worth fighting for. In short, this is a book about the American future and the strong possibility that we yet have it in ourselves to use our freedom and our democracy in powerful ways to create something fine, a reborn America, for our children and grandchildren.
