**Sommario/riassunto**

Marine Tourism examines both successful and unsuccessful tourism in coastal and marine environments. The author provides an overview of the history, development and growth of marine tourism and describes the characteristics of 'marine tourists' and the 'vendors' of these tourist activities. The book includes case studies of specific types of tourism including: \* the cruise ship industry, \* whale and dolphin watching, \* yachting - the America's Cup, \* personal water crafts and other water sports\* and maritime museums and festivals. in locations including Brighton, UK, the
